

Tailorgram No. 18

The suit that's made for you is YOUR SUIT—and for that reason looks better, feels better, wears longer than one that you merely buy.

So don't merely buy clothes. Have them MADE FOR YOU, that's the way the men do who really care for their appearance.

HONOR WASHINGTON'S MEMORY.
Among the observances of Washington's birthday in the Warren District will be an entertainment by Perfect Ashby, Lodge No. 12, on the eve of the holiday, Monday, Feb. 21, in Masonic Hall. A splendid program of vocal and instrumental musical numbers has been arranged. A cordial invitation is extended to all Masons and their families.

NOTICE FOR PUBLICATION.
Department of the Interior,
U. S. Land Office at Phoenix, Arizona, Feb. 16, 1916.

NOTICE is hereby given that Charles E. Harris, of Garces, Arizona, who, on March 4, 1914, made homestead entry, No. 024531, for SW 1/4, Section 8, Township 23, S., Range 21, E., G&SR Meridian, has filed notice of intention to make commutation proof, to establish claim to the land above described, before Jared D. Taylor, U. S. Commr., at Bisbee, Arizona, on the 28th day of March, 1916.

Claimant names at witnesses:
Lee Aston, Zeno Aston, Robert Todd, William E. Davis, all of Garces, Arizona.

THOMAS F. WEEDIN, Register.
First publication Feb. 19, 1916.
Last publication Mar. 28, 1916.

COUNTY and STATE NEWS

PARKER—What is believed to be a substantial strike has been made in the tunnel of the Gray Eagle mine on the 250 foot level. The full face of the tunnel shows one of very high grade, and the value improves as work progresses. The mine is being worked by the Arizona-Empire people.

PARKER—That a large supply of water can be obtained for irrigation by pumping from wells on the Colorado Indian reservation was proven in the final test of one of the state experimental wells which has just been completed. The well was pumped continuously for 48 hours, and the flow averaged \$25 gallons per minute for the entire period. C. R. Olberg, superintendent of irrigation in the Indian service, who witnessed the test as the personal representative of Secretary Lane, expressed himself as well pleased with the showing and also with the quality of the water, which is said to be of the best. Three other wells, recently put down by the state to prove that there is water in sufficient quantities to warrant the opening of the project as a pumping proposition will be tested at once. The well just tested showed a drawdown of only 25 feet from the surface, and maintained this level throughout the test.

PHOENIX—Nine appeals from the valuations as fixed by the appraisal board of the state land department have been filed in the superior court of Maricopa county by ranchers living on school sections which the state proposes to sell. Six other appeals from valuations are pending in the same court.

PHOENIX—An increase of \$15,000 in the capital stock of the Bank of Miami has been made according to information filed with the corporation commission. The bank's capital is now \$25,000. The bank of Ajo, which is located at the town of New Cornelia, has changed its name to the Miners and Merchants Bank of Ajo.

TUCSON—Mrs. Ida Blighon, wife of Frank Blighon, a former Tucson editor, has been sentenced to a year's imprisonment in the New York state prison at Auburn, N. Y., according to word received here. Mrs. Blighon was convicted of grand larceny, having admitted passing a worthless check at the Hotel Seymour. Frank Blighon, her husband, while in Arizona, conducted a socialist newspaper called the "Voice of the People," and figured much in the criminal courts here.

CLIFTON—Twenty-two days after it was swept away in the flood of the Blue river, the body of the infant daughter of Mr. and Mrs. D. Reynolds was found lodged in the branches of a tree forty miles below the scene of the catastrophe. The body was found along the bank of the Frisco river, near the Shannan pumping station. At the time of the accident Mr. and Mrs. Reynolds and their two children were traveling up the Blue river on horseback. In trying to cross the horse ridden by Mrs. Reynolds was swept off its feet and the mother and baby swept away in the flood. The body of the mother was found a few hours later.

PRESCOTT—Freighting of zinc concentrates from the Ruth mines on Indian creek to this city for shipment is now in full swing. The concentrates will be shipped to a smelting company in Missouri. The gold and silver concentrates will also be freighted to Prescott, where they will be shipped for further treatment.

PRESCOTT—Tanislado Cortez, who must again face the charge of murdering Ramon Salazar, has been captured and is now in the county jail awaiting trial. Cortez made no attempt to resist arrest. He was held on a charge of killing Salazar last fall, but was released after a hasty examination in

which he said he shot in self-defense.

PRESCOTT—A six-foot body of rich ore has been struck in driving the crosscut to intersect the "glory hole" in the Union mine in the Chaparral district. The ore is of a free-milling and concentrating type, and the strike is believed one of the most important yet made on the property. The old Black Chief copper property in southern Yavapai county will be one of the first to resume operations early this spring. Materials and supplies have been ordered, and a permanent camp has been established. While production will be begun immediately, an extensive development program will also be carried on.

KINGMAN—Charged with selling "bootleg" whiskey, said to be the rankiest poison, eighteen men are awaiting trial in the Mohave county jail here. Many of those arrested had the booze on their persons, and only close inspection revealed the fact that adulterated whiskey had been substituted for the original contents of the bottles, which had the appearance of having been bottled under government supervision. Investigation disclosed that the bottoms had been cut out of the bottles, the contents removed, and the bottles then refilled with a particularly vile concoction for the thirsty. The bottoms of the bottles were then sealed with an electric needle. At Yucca, ten miles south of here, there have been numerous cases of illness, several of them serious, brought about by the drinking of bootleg whiskey. In a number of cases it is claimed that hold-up men used this concoction to drug their victims before robbing them.

BENSON—A canning factory, capable of handling a large amount of products from the ranches of the San Pedro valley, will be established in Benson at an early date. All of the stock necessary for the success of the enterprise has been subscribed, most of it by local business men and farmers.

TOMBSTONE—The state of Texas group of lead, silver and zinc mines, in the lower end of the Huachuca mountains, has been taken over by Douglas Gray, who purchased the properties from Mrs. August Baron for \$17,500. At present there are approximately 100,000 tons of lead-silver ore blocked out in the mines, which were acquired by the late August Baron, the property having been purchased from the original Spanish owners. About 3,000 tons of ore is ready for shipping and milling. Work will begin at once under the direction of a Colorado company for whom Gray made the purchase.

PHOENIX—Mulford Winsor, former chairman of the state land commission and Gov. Hunt's chief advisor, has been appointed U. S. commissioner for Yuma county. The appointment was made by Judge Sawtelle of the federal court. Winsor retired from office after the expiration of his term and the creation of the new land department.

PHOENIX—Frank P. Trott, formerly chairman of the state board of pardons and paroles, has assumed his new duties as surveyor general of Arizona. He succeeds Frank S. Inalls, who held the position for twelve years. Inalls will retire to private life at Yuma.

RAILROADS IN TRUE LIGHT OF REASON

Tribute by Edwin S. Jackman
Presented by Y. M. C. A. by
El Paso & Southwestern.

The following is called a "tribute to American railroads" and a copy, framed and illuminated, has been presented to the Bisbee Y. M. C. A. by the Safety Bureau of the El Paso & Southwestern System. The tribute to the railroads of America speaks for itself:

A railroad is not the unfeeling and relentless devourer of automobiles and little children at grade crossings, described by impassioned advocates in crowded court-rooms. The whistle of danger is an engineer's use of a piece of machinery, but it is also the echo of a man's thought for his own babies left at home.

A railroad has been likened to an octopus by those who do not know the flesh and blood and personality of railroad. The soul of a railroad is fidelity, and if a railroad is an octopus, it is an octopus with a soul.

A railroad is a disciplined power: owning the rails and cars and locomotives; engaging the highest quality of mechanical skill, and expert knowledge, but the glory of a railroad is the united adjustment of its living nervous system to patience, courtesy, speed and safety.

EDWIN S. JACKMAN.

FORT BRAGG TO 'FRISCO
SAN PEDRO, Feb. 18.—The steamer Fort Bragg given up for lost last November on the rocks of San Del Cabo Mexico, sailed to San Francisco for repairs towed by the steamer Arctic.

DIZZINESS IS ANNOYING

As Many Bisbee People Know Too Well.

When the kidneys are weak or disordered, they fall behind in filtering the blood of poisons. As these poisons attack the nerves, the result is told in spells of vertigo, just as drunkenness will make a man dizzy from the poisoning of alcohol. Dizziness, headache, backache and irregularity of the kidney secretions are all signs of weak or disordered kidneys and should not be neglected. Use Doan's Kidney Pills, the home-endorsed kidney remedy. Read this Bisbee resident's statement:

Mrs. J. C. Mayne, P. O. Box No. 1493, Bisbee, says: "My back bothered me and I had pains across my loins. I found it hard to do my housework. I often had headaches and dizzy spells and I knew that these pains and annoyances were caused by disordered kidneys. I had heard of Doan's Kidney Pills doing good in similar cases so I used some. They quickly cured me."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mayne had. Foster-Milburn Co., Props., Buffalo, N. Y.

"ENOUGH MONESENSE," BUCKNAM WARNING TO WILEY E. JONES

Cochise County Temperance
Leader Says People are Tired
of Attorney General's Policy
of Obstruction.

In a written communication last night to The Review, A. R. Bucknam, temperance leader in Cochise County, states:

"We are satisfied with the Supreme Court's interpretation of our amendment. It being rendered according to the plain letter of the laws, on the subject and we are satisfied that the decision has the endorsement of nearly all the lawyers of the state.

"We have been unable to find any thing upon which our Attorney General could properly base his recent statement and as the lawyers of the state do not take him seriously, we are inclined to pass him up also. We believe his position will be shattered as soon as his issue comes before the railroad attorneys.

"The temperance people of the state will not thank our Attorney General for continuing this controversy. It is beginning to dawn upon them that this same Attorney General made it next to impossible for the legislature to pass the laws that every officer has been in need of to make prohibition effective. The proposed law would have been blocked the way by a wrong interpretation of the amendment.

"Isn't it about time the people said, 'enough of foolishness,' and give our Attorney General to understand that we do not want any more nonsense?"

"The court has spoken and has covered the question of introduction as plain as it can be put into the English language. Our job now is to enforce the law against sales and get ready for the real work before us next fall in behalf of sane legislation and the election of efficient men who will stand with us in every department of government."

The Experience of Others With Peruna Is A Safe Guide to Follow

Peruna has been the household remedy of hosts of people for the last fifty years. The testimony of those who have used Peruna proves it to be

A Standard Family Remedy

For Ordinary Grip;
For All Catarrhal Conditions;
For Prevention of Colds.

An Excellent Remedy

For the Convalescent;
For that Irregular Appetite;
For Weakened Digestion.

Ever-Ready-To-Take

What Family Medicine Do You Use?

Does the family medicine you now use keep the bowels regular?
Does your family medicine cure colds?
Does your family medicine stop a winter or summer cough?
Does your family medicine increase the appetite and stimulate digestion?

Peruna keeps the bowels regular without producing a cathartic action.
Peruna is one of the best cold remedies on the market.
Peruna can be relied upon to stop coughs, cold or young.
Peruna has no narcotic as a basis for the appetite and digestion.

THE PERUNA COMPANY, COLUMBUS, OHIO
Those who object to liquid medicines will find Peruna Tablets desirable for Catarrhal Conditions.

PRACTICE BASEBALL SUNDAY AT WARREN

Manager Fred Legge's Yannis and Regulars Will Play; Very Clever New Material.

Something in the nature of an insight into the chances for witnessing class baseball this summer in the Warren District will be offered the fans, Sunday afternoon, when the Yannis and Regulars of the C. & A. diamond squad will play a practice game at Warren Field.

Manager Fred Legge has been trying out numerous candidates and, it is understood, there are several newcomers who will prove a big benefit to the Grays. However, he does not wish to comment in any of the candidates until after Sunday's big practice workout.

No admission will be charged to witness this game which will be called at about 2:30 o'clock. It is of importance to the interests of local baseball, however, that there be a representative crowd of fans on hand. The players require the moral support of a first rate crowd. Fans, look for line-up in Sunday's Review. Several of last year's favorites will be on hand.

You can get your knives, shears and saws, even your appetite sharpened at the Fix it shop. A. Greenwald, Brewery Gulch. Phone 618.

WHITE HOUSE RECEPTION
WASHINGTON, Feb. 18.—The annual White House reception to the Senate and House was attended by nearly 3000. Speaker Clark and Senator Clarke led the line.

Miss Pearl Cook, dressmaking, coats, tailoring, Johnson Hotel, Main St.—Advertisement. 199

UNINSTRUCTED DELEGATES
DES MOINES, Feb. 18.—The Iowa Progressives will send in uninstructed delegates to the national convention at Chicago. Upon the decision of the State Central Committee the delegates will probably support Roosevelt.

DENIAL IS MADE
CHICAGO, Feb. 18.—A denial that the Catholic Church here spent any money on the banquet for Archbishop Mundelein which the poisoner Jean Cronos charged as extravagant, was made by the Right Reverend Francis Kelly, president of the society under which the banquet was held. Wealthy business men furnished the fund.

SUPERVISOR JOHNSON CREATES PRECINCTS FOR NEXT ELECTION

Lowell is Divided Into Three Districts and Bisbee Gains One So All Voters May Enjoy Suffrage.

Being alive to the best interests of the Warren District as well as Cochise county, Supervisor Vance Johnson has started in early to provide for voting efficiency in the territory under his jurisdiction. Assisted by A. G. Karger, Clerk of the Superior Court, Mr. Johnson made a tour of the Warren District yesterday and provided for divisions which will change the number of election precincts.

A precinct was established in Don Luis, one in Upper Lowell and a third in Lowell proper. Voters will thus be enabled to cast their ballots quickly and without confusion, and election returns will be established without the delays which formerly prevailed. Mr. Johnson will take steps immediately to divide the old third ward in Bisbee, creating two election precincts there.

At the last election, many Lowell voters complained that they were unable to cast their ballots owing to the crowd at the polls, closing hour arriving before all could exercise their right of suffrage. Mr. Johnson and Mr. Karger were determined that there would be no repetition of such an affair this year. Mr. Karger returned to Tombstone last night after completing his labors in the Warren District.

PENN STEEL SOLD
PHILADELPHIA, Feb. 18.—The sale of the control of the Pennsylvania Steel to the Bethlehem is complete.

for breakfast. Can you conceive of any thing more delicious? Do you know Jones Dairy Farm Sausages? Have you ever eaten them. They're absolutely pure and their flavour is incomparable.

They are made from an old-fashioned farm recipe and contain only the choicest dairy-fed little pig pork, salt and pure spices.

You can get them here fresh every day if you order early enough. Order a day in advance if you can.

Our supply is limited because we make it a point not to carry any more than were fairly certain of selling each day, so that our stock is absolutely fresh.

You'll want sausage breakfasts regularly after you've ever eaten Jones Dairy Farm Sausages. Order to-day for to-morrow's breakfast.

TO INCREASE OFFICERS
WASHINGTON, Feb. 18.—To the increase of officers available for American merchant ships the steamboat inspection service reduces the age limit of officers from twenty-one to nineteen. No change in experience is necessary.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. P. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color.

Take one or two every night for a week and note the effect. 10c and 55c per box. All druggists.

The Olive Tablet Company, Columbus, O.
